USA Football’s number one priority is the health and safety of our athletes, coaches and staff.

We will continue to monitor recommendations from the CDC as well as local public health officials’ actions and recommendations relative to future U.S. National Team Regionals in other locations. We also will work with local officials to determine the best course of action in locations scheduled to host all USA Football events.

Athletes and prospective attendees will be informed immediately of any scheduling changes or cancellations as well as additional precautionary measures taken by USA Football for all upcoming events.

For the latest COVID-19 information from the CDC, please visit www.cdc.gov.
