Peace of mind we all need.

In partnership with ASG Programs from EPIC, USA Football is committed to delivering the most comprehensive and cost-effective insurance protection for youth football's most important constituents - the children who play this sport. In 2016, more than 350,000 youth football participants were covered by our league insurance program.

WHAT'S NEW FOR 2017

USA Football has been nationally recognized for developing the most comprehensive and cost-effective insurance program. To date, there is not another organization in the sport of youth football that can match the Heads Up Football Insurance Team.

WHY HEADS UP FOOTBALL

Changing the culture of the game starts with coaches – they have the ability to mold the techniques of our future football players. League Player Safety Coaches have been chosen to employ best practices through education and monitoring to help promote a better and safer game for all participants.
